## DATE PREFERENCE SYSTEM

---

The following date system of preference is used at Kentucky Downs:

Foal certificates are no longer are required to be on file in the racing office to enter or start at Kentucky Downs; however, foal certificates (2017 and older) must be on file to obtain a preference date and to have a horse digitally tattooed. Foals of 2018 and younger must assign their Digital Foal Certificates to Kentucky Downs in order to obtain a preference date. **ADDITIONALLY, FOAL CERTIFICATES ON FILE AT ELLIS PARK PRIOR TO THE END OF THE ELLIS PARK MEET WILL HAVE A ZERO DATE AT KENTUCKY DOWNS (NO NEED TO MOVE FOAL PAPERS FROM ELLIS TO KENTUCKY DOWNS).**

Each day's overnight will list the dates of horses in and on the also-eligible list to enable trainers to see what dates are getting horses into over-filled races.

1. In over-filled races, preference will be given to horses in order of their assigned preference dates, earliest date first. Horses having identical dates will be chosen by lot; however, where entry and running dates are the same, the horse with the entry date will have preference.
2. All horses intended for racing at Kentucky Downs (who fulfill the criteria below) will be assigned a preference date. A horse can have only one date at any particular time. Dates assigned will be of two types:

### E-Date

This date will correspond to:

(a) the date on which a horse's foal papers/digital foal certificate and name card are submitted to the Identifier. (Foal certificates / digital foal certificates must be on file by August 25th to receive the earliest date. Additionally, **the deadline to turn in foal papers/digital foal certificates to receive a date on entry day is 9:30 am CDT.**)

(b) the day on which a horse is first entered if his papers are not on file with the Identifier. To qualify for the latter E-Date, a horse must have been excluded from a race that appears on the overnight or must have been entered in a condition book race that failed to fill through insufficient entries.

## **R-Date**

This date will correspond to the day of a horse's most recent race at Kentucky Downs. An R-Date will also be assigned to a horse that scratches.

1. A horse retains his R-Date until he receives a newer R-Date. No horse with an established R-Date may receive an E-Date. A horse whose papers are removed from the Identifier's office will lose his date and must subsequently re-establish a date in order to receive preference. A horse with an E-Date cannot receive a newer E-Date. Horses starting at another racetrack will forfeit any date they may have at Kentucky Downs. Additionally, horses racing at Kentucky Downs without foal papers on site will not retain their R-Date.
2. Preference dates are good for any type of race or distance (other than maiden dates).
3. Maiden dates will be kept separately and will not have preference in winners' races.
4. No E-Date will be assigned to the second choice of an un-split same-owner entry.
5. A horse that has been placed on a list (Veterinarian, Steward, Starter, or Paddock Judge) will lose his date and be assigned an R-Date corresponding to the day he is removed from the list.
6. Horses on the Also-Eligible list shall be permitted to draw into races and will be assigned post positions in the order of their dates, earliest dates first.
7. A horse that is a scheduled starter in a canceled race will not receive an R-Date for that race but will retain his previous date.
8. The draw of stake and handicap races is not subject to date preference.
9. Preference dates are transferred through change in ownership and changes in trainer only after the proper transfer procedures have been completed through the Stewards' Office and delivered to the Racing Secretary's Office.
10. Date preference rules will not supersede KHRC rules regarding preference, eligibility, or scratches.

---

## CONDITION PREFERENCE

---

Horses are preferred by their available conditions in all allowance races beginning with Graded Stakes winners (Grade I-II-III), open stakes winners through their allowance conditions (when allowance conditions are equal, an open stakes winners shall be preferred) providing the horse has finished 1st, 2nd, 3rd, or 4th for \$50,000 or more since starting for less than \$50,000. In allowance/optional claiming races a horse's eligibility cannot exceed the condition of the race. Starter races for less than \$40,000 will not be preferred.

---

## DIGITAL FOAL CERTIFICATES

---

The Jockey Club registry shall issue digital foal certificates for foals of 2018 and later. Digital certificates are stored on the Registry's website at [registry.jockeyclub.com](http://registry.jockeyclub.com). If you are planning on running at Kentucky Downs, ask your owners to assign their digital certificates to Kentucky Downs as the Certificate Manager. **All digital foal papers will be treated the same as paper foal papers and must be on file by Thursday, August 22, for a zero date. ### **Section 7. Furosemide Eligibility**

(1)(a) Except as provided in Section 6(6) of this administrative regulation, a horse shall be eligible to race with furosemide if the licensed trainer or a licensed veterinarian determines that it would be in the horse's best interests to race with furosemide. Notice that a horse eligible to receive furosemide will race with or without furosemide shall be made at the time of entry to ensure public notification, including publication in the official racing program.

### **Section 3. Out of Competition Testing**

(1) Any horse eligible to race in Kentucky shall be subject to testing without advance notice for the substances specified in Section 2 of this administrative regulation. A horse shall be presumed eligible to race in Kentucky if: (a) It is under the care, custody, or control of a trainer licensed by the commission; (b) It is owned by an owner licensed by the commission; (c) It is nominated to a race at an association licensed pursuant to KRS 230.300; (d) It has raced at an association licensed pursuant to KRS 230.300 within the previous twelve (12) calendar months; (e) It is stabled on the grounds of an association licensed pursuant to KRS 230.300 or a training facility subject to the jurisdiction of the commission; or (f) It is nominated to participate in the Kentucky Thoroughbred Development Fund, the Kentucky Standardbred Development Fund, or the Kentucky quarter horse, paint horse, Appaloosa and Arabian Development Fund.

(2) A horse subject to testing under subsection (1) of this section may be designated for testing by the executive director, the chief state steward, chief judge, or their respective designee.

(3) An owner, trainer, or any authorized designee shall fully cooperate with the commission veterinarian, or his or her designee, by: (a) Locating and identifying any horse designated for out-of-competition testing; (b) Making the horse available for the collection of the specimen at a place designated by the commission veterinarian, or his or her designee; and (c) Observing the collection of the specimen. 1. If the owner, trainer or their authorized designee, is not available to observe the collection of the specimen, the collection shall be deferred until the trainer, owner, or their authorized designee, becomes reasonably available, but the collection shall occur no later than six (6) hours after notice of intent to collect a specimen from a horse is issued by the commission veterinarian or his or her designee. 2. If the collection does not occur within the time provided for in this subsection, any horse that is designated for testing may be barred from racing in Kentucky and placed on the veterinarian's list, pursuant to 810 KAR 8:010, Section 17, and the steward's list or judges' list, for a period of 180 days and the owner and trainer of the horse may be subject to the penalties described in Section 8 of this administrative regulation.

*continued on next page*

(4) Responsible persons. (a) The trainer of the horse shall be responsible for the condition of a horse sampled for an out-of-competition test while on the grounds of a licensed training facility or racetrack. (b) If the horse is sampled while not on the grounds of a licensed training facility or racetrack, the owner shall be presumed to be the responsible person unless the owner can establish, by substantial evidence, that another licensed person had accepted the responsibility for the care, custody, and control of the horse, making that person the responsible person. (c) If a horse sampled for an out-of-competition test was claimed, sold, or otherwise transferred during the time the substance giving rise to the positive test may have been administered, then the commission shall investigate to determine, by a preponderance of the evidence, the identity of the responsible person at the time the substance may have been administered. (d) If the commission cannot determine a responsible person, then the commission may deem the owner responsible and may place the horse on the veterinarian's list for as long as is necessary to protect the integrity of racing. (e) If a horse designated for testing is sampled at a location not under the jurisdiction of the commission, the trainer or his designee may declare at the time of sampling any reportable substances that have been administered to the horse but have not previously been disclosed to the commission.

Horsemen with Kentucky-sired Kentucky-breds have over \$30 million more in purse money to run for in for designated stakes, handicap, allowance, nonclaiming maiden races, and claiming races contested at licensed Thoroughbred race meetings in Kentucky.

Eligible races can be readily recognized in the stakes and condition books by the Kentucky Thoroughbred Development Fund seal, which will appear next to each race in the stakes and condition books.

In accordance with KRS 230.400(5)(d), it is mandatory for a horse to be registered prior to time of entry to be eligible to participate in the distribution of Kentucky Thoroughbred Development Fund monies. Registration is only complete once the application is approved and payment has been received.

All horses of racing age that are both Kentucky-bred and sired by a Kentucky stallion which stood in Kentucky the entire breeding season the year the horse was conceived are eligible to be registered. Owners of horses of racing age are responsible for registering their horses. Stallion owners are responsible for registering their stallions.

Registration applications may be obtained from the official registrar, the Kentucky Thoroughbred Owners and Breeders, by contacting:

# SEEING GREEN

IN THE BLUEGRASS

Combined purse money paid out in 2023  
[Association and KTDF] hit another **ALL-TIME HIGH** of

**\$196,644,325**

Of the 14 tracks that averaged more than  
**\$500,000** in daily purses in 2023, four of them—  
**Kentucky Downs, Churchill Downs, Keeneland**  
and **Ellis Park**—are in **Kentucky!**

Over **\$200 million** has  
been distributed to Kentucky  
breeders since 2006. With  
purse money soaring, the KBIF  
contributing **\$16.2 million**  
to eligible breeders, the fullest  
fields in the country (average  
field size of **8.8**, higher  
than New York, Florida, and  
California), and quality racing  
year-round at our  
**five racetracks**, there  
is no better time to race and  
breed in the Bluegrass.
